

USING WITH SONY ERICSSON T68i (R6 and below)

Suggested Pairing Modes : Headset Pairing mode

- Press the multi-function button for 10 seconds or until a distinctive three-tone sound will be heard and at the same time the red and blue indicator will alternately blink.
- Press the multi-function button again for a short time to access Headset pairing mode.

a. **ACTIVATING THE BLUETOOTH**

You must activate your Bluetooth to establish a Bluetooth connection between your mobile phone and other Bluetooth devices.

1. Go the Menu Key by pressing the joystick. Scroll to *Connect*, **YES**. Select *Bluetooth*, **YES**. Select *Options*, **YES**. *Operation mode*, **YES**. *On*, **YES**.
2. Continue pressing **NO**, to exit.

QUICK ACCESS:

Press *Menu* followed by the sequence of numbers below.

	Connect	Bluetooth	Options	Operation mode
T68i	8	4	4	1

b. **PAIRING TO THE CELLULAR PHONE**

1. Bring the cellular phone at about 20 cm from the car kit.
2. Press the multi-function button for 10 seconds or until a distinctive three-tone sound will be heard and at the same time the red and blue indicator will alternately blink. This indicates that the unit is now ready for pairing.
3. **T68i R6 and below, press the multi-function button once again for a short time, to access headset pairing mode.**
4. Go the Menu Key by pressing the joystick. Scroll to *Connect*, **YES**. Select *Bluetooth*, **YES**.
5. Select *Paired devices*, **YES**. *Add device*, **YES**. Choose *Phone initiates*, **YES**. Choose *Headset/Handsfree*, **YES**. The phone will then search the device to be added. After the device is found, press **YES**.

QUICK ACCESS (for steps 3 and 4):

Press *Menu* then follow the sequence of numbers below:

	Connect	Bluetooth	Paired devices	Add device	Phone initiates	Headset/ Handsfree
T68i	8	4	2	Yes	1	2

6. Enter "0000" as the passkey. If the pairing is successful, the alternating red/blue lights will stop. Press **YES** to confirm the name of the device. If the pairing is unsuccessful, the steps above may be repeated.
7. Continue pressing **NO** to exit the menu key.

The unit is now ready to link calls from the phone directly to the car kit. An icon, will appear during the standby mode indicating that the car kit is linked with the phone.

c. **ANSWERING/RECEIVING A CALL**

When the phone is receiving a call, a ring tone will be heard on the car kit.

1. Just press the multi-function button down once to answer the call. Pressing the button again will hang-up and terminate the call.
2. If you wish to answer a call on the cellular phone, just press **YES** and the call is automatically transferred to the phone. Pressing the multi-function button transfers the call on the car kit.
3. To terminate the call, press the multi-function button again.

d. **MAKING A CALL with the car kit on**

Normal dialing

1. Enter the contact number and press **YES**. Audio can be heard on the car kit at the same time, a question will be displayed. *Retrieve call in phone?*, ignoring or pressing *No*, transfers the call to the car kit. Pressing *Yes*, transfers the call to the cell phone.
2. Press the multi-function button to hang-up and terminate the call.

Voice dialing

Refer to step e and f for the procedure when activating and recording for voice dialing.

1. Press the multi-function button once to activate the voice dialing.
2. A beep will then be heard on the car kit prompting the user to say the name of the person to call.

3. Say the name. The name will be played back to you. The phone will then place the call automatically. In case the cell phone does not recognize the name spoken, the steps above may be repeated.
4. Press the button again to terminate the call.

Redial

For T68i R6 and R7, press the multi-function button twice. Call is automatically transferred on the headset.

e. REJECTING A CALL

For T68i R6 and R7, press the multi-function button twice to reject the incoming call.

f. ACTIVATING THE VOICE DIALING

Use your phone when recording for the voice dialing. Before voice dialing, you must first turn on the name dialing function and record your voice. To turn voice dialing on and record number types:

Using T68i Sony Ericsson

1. Go to the *Menu Key* by pressing the joystick. Scroll to *Settings*, **YES**. *Voice control*, **YES**. *Voice dialing*, **YES**.
2. Select *On*, **YES**.
